Office Memorandum

8/599/2010-IV/PHD

It has been observed that a number of proposals regarding medical reimbursement claim submitted by the Government employees are for the treatment availed in non-recognised/recognised hospitals and the reasons given are always not genuine. The treatment in such cases are many times available in Government Hospitals viz. Goa Medical College, Asilo Hospital and Hospicio Hospital.

Against this background, it is considered necessary to issue fresh instructions as under:—

1. Unless and until the patient is referred to G.M.C./Government Hospitals and unless it is certified by respective Government Hospitals stating that such facilities are not available in that Hospital or in Goa Medical College only in such cases the Medical Reimbursement claim have to be recommended for consideration of the Government.
2. In case of an emergency and treatment is taken in any private recognised/unrecognized hospitals, in such an event Goa Medical College should justify and certify that the genuine emergency situation existed

and that reference to GMC or any other Government Hospital was not possible due to emergency and even in such cases certificate of the GMC to be taken within 72 hours of such emergent treatment.

3. All the Heads of Departments/Offices and Secretaries to Government are advised to go through these instructions carefully and also bring these to the notice of the employees working under their Administrative control, for strict compliance with effect from date of publication in the Official Gazette.

4. The O.M. shall also be applicable to the Goa Freedom Fighters since they are treated at par with the Government servants for the purpose of medical reimbursement/emergent treatment.
